Launch Transportation Service

In 2024, we launched transportation services to improve access.
Families can save time driving 4-6 hours/week.

“I like listening to music and talking to others in the van.”
A Learner”

“That’s time I can now spend earning income to help cover tuition.”
Parent of a Learner”

“Having the transportation service is HUGE! It gave us back 4 hours of our day that we used to spend driving. Now Bloom360 is much more workable for our family!”
- Parent of a Learner”

Launch BizPath

What's Next After High School?

GROW SKILLS THROUGH MICROBUSINESSES

BizPath uses microbusinesses to support young adults in developing independence and real-world work experience while exploring paths toward meaningful work, volunteering, or entrepreneurship.

BizPath is grounded in Bloom360's strengths-based educational model.

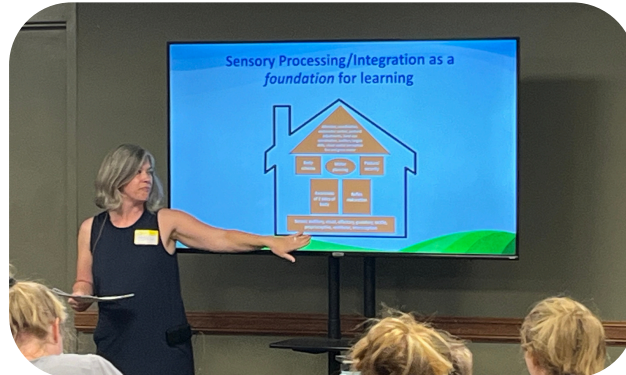

Community Learning Lab

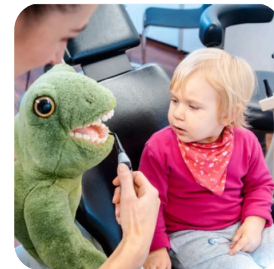

The Community Learning Lab offers valuable workshops to parents and professionals enabling them to better support neurodivergent individuals

Expand outreach through collaboration with other organizations.

- 3 free community workshops on Sensory Processing & Big Emotions
- Launched professional development version of the training to support dental professionals.
- 2 virtual workshops to help navigate Wisconsin's Child Support Services with experts at Expect Ability
- Facilitate monthly support group
