

360° WHOLE PERSON GROWTH

for Neurodivergent Individuals and Their Families

Bloom360 Learning Community is a nonprofit school and adult learning center that provides a refreshing developmental approach to education that nurtures the joy of learning for neurodivergent individuals.

DAY SCHOOL

Serves as school of record (ages 5 to 21)

- Individualized academics & pace
- Social-emotional learning
- Life skills & independence
- Interest-driven, project based learning
- Earn high school diploma

BIZPATH

Business and social skill development (adults)

- Interest-driven microbusiness projects
- Entrepreneurship
- Social-emotional learning
- Grow community relationships
- Confidence, independence, & purpose

OUR MODEL

Whole Person Growth:
body, mind, spirit, social, and
emotional well-being

Every individual learning plan is deeply rooted in these proven learning approaches:

DEVELOPMENTAL

Meeting each person where they are and supporting growth over time.

STRENGTHS

Expanding on abilities, interests, and potential.

RELATIONSHIPS

Trust and meaningful connections nurture learning, confidence, and belonging.

ROOTS

Part-time for homeschoolers and post-high school learners

- Social-emotional learning
- Life skills & independence
- Interest-driven, project based learning
- Preparation for life & future pathways

COMMUNITY LEARNING LAB

Educating adults who support neurodivergent individuals

- Workshops & resources
- Topics: neurodiversity, communication, sensory processing, well-being & more
- Building stronger, more informed circles of support

Our Impact

We cultivate confidence, independence, meaningful relationships, and life skills.

Families gain understanding, hope, and practical tools that strengthen the entire support system.

Bloom360 LEARNING COMMUNITY
